

10/18/14 Blue Marsh Star Watch

Written by Barbara Geigle

Wednesday, 11 June 2014 01:49

TONIGHT'S STAR WATCH HAS BEEN CANCELLED DUE TO CLOUDS AND WIND.

October 18, 2014, 6:45 pm, at the Old Church Road access of Blue Marsh Lake

Join us for an evening of observing the night sky through club member telescopes. Please note that our telescopes can't see through clouds, so check here for event status if the weather is questionable!
